About SuperDerivatives

Buenos Aires Tel: +54 11 4375 2681	SD is transforming the world of derivatives by introducing transparency to all major traded derivative classes including foreign currency, interest rates, equities, commodities, energy and credit. Providing prices that reflect the interdealer market has led the company's web-based, market-calibrated platforms to be widely accepted as the benchmark for derivatives pricing.
Hong Kong Tel: +852 2273 5830	
London Tel: +44 (0)20 7648 1050	Trading professionals on both the buy and sell side benefit daily from SD's unique combination of unbiased, aggregated market data and sophisticated modelling techniques. The company also provides fully fledged risk management systems, award winning derivatives data and independent portfolio revaluation services.
Mumbai Tel: +91 22 6746 4123	
New York Tel: +1 212 768 7871	Customers include leading banks, hedge funds, asset managers, custodians and hedge fund administrators in more than 60 countries, supported by a global network of SD offices with 24-hour support services.
Singapore Tel: +65 643 50333	
Sydney Tel: +61 2 9006 1421	SD's multi-asset solutions cover foreign exchange, interest rates, commodities, energy, equities and credit derivatives, enhancing the efficiency and effectiveness of the organisation's entire derivatives business.
Tokyo Tel: +81 3 5219 1377	To find out more about our range of solutions, contact your local sales representative or go to www.sdgm.com .
